SACRAMENTS REVIEW GROUP – Sacraments Survey – Next Step

1,800 responses were received to the online survey. These have been collated and an initial presentation has been made to the Priests Council. The next step is to meet with people who participated in the survey, from home, parish and school. Parishes are asked to make a special effort to invite people who have been directly involved – parents of young children; clergy, parish workers, sacramental teams; school principals, teachers. This will be of particular benefit to parents of children due for Sacraments in 2020 and who might like to assist with the Preparation Masses.

Wednesday June 5th Johnstown Parish Centre, 7.30 to 9.30 (Eircode A96 EY91)

AN EXAM PRAYER

Dear God, I know you are with me and love me.
Give me peace of mind as I prepare for this time of study.
Help me to focus on my books and notes.
Keep me free from all distractions so that I will make
The best use of this time that is available to me.
Give me insight that I might understand what I am studying,
And help me to remember it when the time comes.
Above all, I thank you for the ability to be able to study
and for the many gifts and talents you have given me.
With your help, I will be focused and calm, confident and firm
in the knowledge that you are with me today and always
Amen.
