Learn CPR for Free

It could make the difference between life and death.

Summerhill Hotel, Enniskerry, Tuesday the 15th October from 7:30pm to 9pm. Be the strongest link in the chain of survival .

- If a loved one, neighbour or a total stranger began to choke, would you be able to save them?
- If they went unconscious, could you put them in the recovery position?
- If they went into cardiac arrest, could you perform CPR and know how to use a defibrillator to save their life?

CPR is easy and quick to learn and such an important skill for everybody to know.

All Welcome. No prior experience necessary.

To book a place please phone or text us on 085 875 2616.
