This fascinating story outlines how an unassuming employee of the National Library was drafted by Irish intelligence services to track the movements of a prolific Nazi spy, Hermann Görtz. *Codebreaker* is a riveting and deeply researched account of an extraordinary period of history— this presentation will take you back to the secret world of espionage in Ireland during World War 2.

Feast of the Baptism of our Lord.

THOUGHT FOR THE DAY

Begin by recalling some special moment between yourself and your parents. Did you ever hear from them the equivalent of "This is my son, my daughter, the beloved: my favour rests on you"? In Jesus' ministry, on several occasions, he felt such a word from his Abba, his Father. His baptism by John was one such moment, as was the Transfiguration later on. Such deep love and affirmation grounded him as a human being and as God's prophet to the people of Israel. Our sense of calling grows out of our relationship with the Father, whose beloved we are, whose favour we too enjoy. PRAYER Let us hear again, Abba, Father, your words of favour to each one of us. Direct us on the Way of discipleship, that we may be bearers of the Good News by simply being who we truly are before you, your children.
