CHURCH REOPENING

We are currently working on reopening Enniskerry and Kilmacanogue Churches for Masses with the hope of being ready to open within the next couple of weeks.

We are hoping to reopen Curtlestown and Glencree Churches in August.

We will be sending out a letter before the Churches are open to inform all parishioners of the Safety Rules which we must implement and also the times of Masses and booking information.

Please be aware that when our Churches open the minimum numbers that are allowed into each Church are—with 2 meter clear spacings between them.

22 Individuals into Enniskerry Church

16 individuals into Kilmacanogue Church

We can accommodate a greater number when some family members who reside in the same house sit together.

The following rules apply:

1. One way system applies in the Church, Entry by Front Door, exit by Side Door.
2. Sanitise your hands on entry and exit
3. Keep 2 metres apart at all times
4. Holy Communion will be distributed at end of Mass as you exit.
5. Stewards will be on duty at all Masses so please follow their instructions.

We now have a webcam in St. Mary's. Please check into our website for Masses
