**The Meals on Wheels service** operates in Enniskerry and Kilmacanogue and delivers hot meals every Tuesday and Thursday to older people in their homes. It's an opportunity to connect with the community and provide a hot meal and social contact call to older people in the area. We are looking for volunteer drivers who can give up 2 or 3 hours twice a month to facilitate this much needed service. Interested volunteers should contact Maoiliosa Kelly on 0868322466 for further information.

**(From HSE) Choirs, music groups and other liturgical music** Performance and practice by choirs and musical ensembles has been associated with spread of COVID-19. The importance of choirs and musical ensembles within the faith tradition should be considered carefully. If groups practice and perform it should be with very careful adherence to social distance and hand hygiene and an awareness of the potential risk in particular for vulnerable members.

**(From HSE) Sharing items /equipment** Because COVID-19 appears to spread easily between people, members of the congregation should be reminded not to share items such as beads, mats or materials used for ablutions or candle lighting. Candle lighting by the public should be suspended and display stands removed or cordoned off.
