## COVID 19

At St. Mary's and St. Mochonog's, we are now operating at 50% of our church capacity, in accordance with the latest Government guidance. As a simple means of controlling ensuring that, while maintaining some distancing, we are now making every second pew available for use, with the intervening pews cordoned off. Although there is now no specific distance recommended for spacing of people within our churches, we ask that you respect the right of others to attend in safety, and that you do not crowd close to people from other households. Where possible, when you enter the church, please use a vacant pew that is not close to an already occupied one.

As our congregation sizes prior to the start of this pandemic did not usually exceed 50% capacity, we expect that we will be able to accommodate all those who wish to attend weekend Masses. Consequently, we are suspending the booking system, pending review.

Other protective measures, such as sanitising and the wearing of face coverings, will continue for the foreseeable future. We will continue to distribute Holy Communion at the end of Mass, with the occupants of each pew coming forward in turn, starting at the front left-hand side, and working towards the back, then repeating the same for the pews on the right. Immediately after receiving Holy Communion, you should leave quietly through the side exit.

We suggest that parishioners, particularly those who are not fully-vaccinated, consider the risks involved before attending at any of our churches. If you do not feel comfortable attending a weekend Mass, perhaps you might consider attending a weekday Mass in lieu of a weekend Mass.

### **Holy Communion and Confirmation Ceremonies.**

First Holy Communion 23Rd Oct 12noon at St Mochonog's

Confirmation 6th November at 11am.

Fr Hyacinth will preside at both .

First Holy Communion 6th Nov. 11.00am —St. Mary's & St. Gerard's N.S.—St. Mary's.

First Holy Communion 13th Nov. 11.00am—Curtlestown N.S.—St. Patrick's

Dear friends

After 22 October we are in a position, following public health recommendations, to resume worship in a more normal way. I am happy to let you know that masses can resume at Glencree at 9am on first Sunday of month and Curtlestown at 10 am each Sunday. Kilmacanogue continues each Sunday at 10 and Enniskerry on Sunday at 11, and weekday mass 10.15 Monday, Tuesday, Thursday and Friday on Saturday and Wednesday a lay led liturgy service takes place. I am grateful to Fr Hyacinth for his youth and energy and involvement in the parish. He has made a difference. I have asked the school principals at St Patrick's School Curtlestown, St Mochnogs, Kilmacanogue and here in the parish church at St Mary's and St Gerards to consult with parents to choose a date suitable for First Holy Communion and Confirmation, for after 22 October. It has been a difficult time for all of us and patience and kindness was required to hold to the regulations required by HSE and the diocese. These were for our benefit. Numbers allocation, social distance, sanitizing, vaccination. These save lives maybe even our own. Let us continue to be careful in the face of delta and newer variants.

I thank Conor Gleeson, our official covid officer whose job was to implement the requirements, the regular group who helped sanitise the churches, after masses, funerals, weddings, baptisms and secretaries Margaret and Joyce who dealt with bookings. On baptism these can now be held in the requested church.

Please be aware that we are moving out of a clerical led church and soon we will need to opt into a different church model where liturgy and parish management is lay led. I thank Aideen Darcy who is guiding our parish towards that aim. Very soon only churches which have lay led and trained team will be able to be open. The future of our parish is in our own hands and we need to get on board to be a vital church with life. The parish pastoral council will need to focus on this activation. The finances as you can guess are depleted and our finance team is guiding us in the area. Donations through website and tap machine are possible. New members with financial experience are welcome too join us.

I will write to you again to update you but after 22 October let us rejoin together safely our spiritual community. I admire your generosity and spiritual enthusiasm and we will be stronger together. Return and rejoin in the Blessings of the Lord. All are welcome as there are no outsiders in the Lord's welcome to the banquet. Invite others to join your return. Come back together.

Derek Mahon writes

' I care about the future reputation

Someone will say you make a music box

Of the wild harp, think

Of the thousands who will keep your line

A'- singing, and the lamp lit at your shrine'

(Byron to Moore)

Let us sing again and light our lamp of faith as a beacon to our world with healing tenderness.

Blessings be upon you.

Fr Bernard Kennedy.

## Season of Creation

In common with many Christians throughout the world, our parish will be marking the 'Season of Creation' which runs from Sept. 1 until Oct 3rd, the feast of St. Francis of Assisi. During this time, we celebrate the joy, beauty and diversity of nature and its fruitfulness as we move towards Harvest time. We attempt to raise awareness of initiatives to protect our common home. The theme this year is Restoring our Common Home". A special liturgy with emphasis on care for the environment and all living species, has been compiled by the Irish Catholic Bishops and will be used at Sunday Masses during this period.

### Archbishop Farrell's Pastoral Letter: The Cry of the Earth—The Cry of the Poor

At this time every persons on our planet is confronted with two interconnected crises: the coronavirus pandemic and the ecological crisis. Both define our age. Both require urgent action. But it is the reality of climate change that is humanity's defining challenge.' Over the coming decades, the havoc of the pandemic will pale when compared to that of climate change.

To respond to the climate crisis, and the mark the Season of Creation—which began on September 1st and continues until the Feast of St Francis of Assisi on October 4th, Archbishop Farrell has published a pastoral letter, The Cry of the Earth– The Cry of the Poor: the Climate Catastrophe– Creation's Urgent Call for Change. This pastoral is an invitation to all people—those in the Church and those beyond—to reflect on the climate crisis in new ways, so that the baptised may live the life of faith more vibrantly, and everyone may respond more actively to the serious situation in which the world finds itself. The pastoral letter is available on online, as well as in hardcopy from Veritas

### **Acts of love for the season of Creation**

*'Rivers do not drink their own water;  
Trees do not eat their own fruit;  
The Sun does not Shine on itself  
and flowers do not spread their fragrance for themselves.  
Living for others is a rule of nature.  
We are all born to help each other.  
No matter how difficult it is ...  
Life is good when you are happy;  
But much better when others are happy because of you.*
